Received between 02/01/2023 and 02/28/2023

Request ID	Requester Name	Organization	Request Description	Received Date
2023-APHIS-01842-F	Levy, Rachael		I seek all records of USDA inspections of Neuralink, including appointment planning, company appeals of such inspections and any related correspondence, for all dates until the day this search is processed. I request a search of records regardless of format or medium to include but not limited to: paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. The request should be understood to include but not be limited: correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, transcripts, notes, and minutes. The request should also be understood to include attachments and supporting documents. The agency may exclude any record that appears to consist solely of media clips or clippings from an internal or external media monitoring service in order to speed up processing time of this request. Records that consist of government officials commenting on or about news media clippings should not be excluded, nor should records that consist of interactions between government officials and members of the news media. (Date Range for Record Search: From 01/01/2016 To 02/01/2023)	2/2/2023
2023-APHIS-01844-F	b6	People for the Ethical Treatment of Animals	On November 3, 2022, PETA submitted a complaint to the U.S. Department of Agriculture (USDA) requesting the agency to investigate concerns regarding an apparent violation of the Animal Welfare Act by Quebedeaux Transport LLC, which appears to have transported monkeys after its USDA carrier license (72-T-0012) was canceled. The concern was issued number AC23-0138, and I am writing to request copies of the following documents in relation to this case: 1. Complete narratives of the investigation conducted by the USDA, including the results of the USDA findings; 2. Correspondence between the USDA and Quebedeauxâ Transport LLC for the period from November 3, 2022, to the present; 3. Copies of any photographic or videographic documentation recorded by the USDA during its investigation; 4. Final investigative reports and settlement agreements filed by the USDA; and 5. Official warnings issued by the USDA to the parties involved in this case.	2/2/2023

2023-APHIS-01852-F	Mara, Timothy	Oxbow board of directors	Request the following records: 1. The agreement or contract between USDA and Rumpke by which a USDA office was established at that Rumpke landfill and USDA employees engage in various activities at that site; 2. It is our understanding that when USDA employees at the Rumpke location observe birds and other wildlife, each observation is entered into a log or similar record keeping protocol, presumably noting the date and time of each observation, the species and numbers observed, some description of their activity in relation to the landfill activities concurrently underway, and recommendations that may have been made to operators of said landfill. We understand further that these observations and records thereof date back to the opening of said office in 2008. From these records, we would like the following records: a. A full copy of each entry into the record since the opening of said office in 2008; b. Any communication between USDA and Rumpke during the same period regarding USDA observations and recommendations made to Rumpke during the same period; c. Any complaints received by USDA from others regarding birds and other wildlife allegedly drawn to the surrounding community by the landfill during the same period; d. Any communication between USDA and the Hamilton County Health Department regarding the Rumpke landfill on Hughes Road during the same period. This records request is intended to cover all records, whether they exist in hard copy form or digitally, and are intended to include all manner of record keeping including but not limited to emails, letters, photographs, videos, and audio recordings.	2/2/2023

2023-APHIS-02162-F	Gleed, Carson	West Jordan Animal Control	Name of USDA licensee/registrant: My Puppy Crush/My Doodle Crush; City/State:West Jordan, UT I have received a complaint about the following businesses and was asked to check into them. After some research I noticed that both websites are the exact same but listed under different addresses. The complaint originally came from a Dog Warden out of Pennsylvania. The Warden told me that a facility in his jurisdiction was served a warrant and they found multiple dogs in an animal cruelty situation. I was then made aware that the breeder does have a facility in my jurisdiction as well. I was just wondering if you guys have had any incidents with this breeder or received any complaints recently.	2/16/2023

2023-APHIS-02274-F	Russell, Katie	USDA Wildlife Services - Virginia	Attached is a letter I received regarding the accident from the other party insurance company. I wanted to pass this along since this may be the personal side of the claim from the individual to the USDA counsel. I am not sure if I should respond or leave it up to the Government Insurance to respond. I was advised by a lawyer to seek advice on this from the USDA counsel, since I was on official duty, before responding. I was also wondering if I may be able to receive a print out of the speed I was going at the time from the telematics for court purposes.	2/23/2023

2023-APHIS-02335-F	Williams, Dillon	-	<p>A copy of all emails, including all attachments dated between January 1, 2020 and February 27, 2023 sent To, CC'd, BCC'd or From (b) (6) containing the non-case sensitive keyword "Pfizer" in part or in full in the subject line or body. Please be sure to check to make sure that any emails that may contain attachments, that they are included, as oftentimes I will get responses back from agencies with some or all attachments missing. Also, please note that I would like all attachments to the emails, regardless if they contain the non-case sensitive keyword "Pfizer" in them or not, only the subject line or body of the email need contain the non-case sensitive keyword "Pfizer". In the past, I did have an agency not provide all attachments, as they misinterpreted my FOIA request, and thought I only wanted attachments if they too contained the particular non-case sensitive keyword I had requested which was in either the subject line or body of the email.</p>	2/28/2023
